LEGEND OF THE LAKES - WHAT IT MEANS TO SEAC

Some 22 years ago at a club motorkhana, Lionel Stingers stuck a mud map on the club catering van of his idea for a hillclimb at the Valley lakes. As I watched him tape the idea to the wall, my comment was something like "bloody great idea Lionel but good luck getting that through council"

Undeterred, Lionel jumped through various hoops and road blocks, countered half truths and outright lies from all quarters for seven years until the first Legend of the Lakes was staged in 2006.

The event was an immediate success, especially given that it was not, and still is not, a round of any state or national competition. It is still, as Lionel intended, a multi club fun event staged in a fabulous venue.

Sadly, Lionel is no longer with us but the event carries on still with strong competitor and sponsor support. 2018 entries exceeded the 140 mark.

While the competition remains much the same, other things have changed in line with world trends. The cost of staging the event, both in dollar terms and hours spent has risen enormously. The event still turns a solid profit, as it should, a tribute to Lionel's original vision of the event being a financial asset to the club.

*A challenge that we do face, is physical help with the set up / pack up phases. Last year, these tasks were performed by **less than 25 people**.....**Total club membership is around 200**, some food for thought.....*

Consider this, all told the Legend event earns the club more than all the year's 22 other events combined. This has enabled the club to improve the club rooms, purchase a new food van, tractor, grader, slasher, implement shed, office equipment and all the day to day expenses such as insurances and permits etc. It sure beats selling raffle tickets !

*I know that to many of us our first love is racing on dirt, and bitumen is for getting there. However, many of us have also seen the fun of sealed track racing and not coming home with a filthy car.
(I also break less stuff)*

So, where am I going with this ? Simple, if everyone wants to continue to enjoy all the services that the club provides, we need more physical help. I realise just as well as anyone, the pressures of day to day work and family life. We all have that. So if you receive a phone call this year from one of the set up crew asking for some help, please think hard before saying "yeah nah I'm a bit busy ". Just an hour or so after work (or school) is a big help. We will give you something positive to do and you can go home feeling that you have contributed to a fantastic event.

We are constantly seeking simpler and more efficient ways to set up. However, personally the water barriers and tyre bundles get heavier each year so, I need help from some of our younger members !

Cheers,

Locky

Peter Lock Compliance officer, L.O.L. assistant director, committee member, race #82 SEAC.

COPPER COAST CLASSIC CAVALCADE OF CARS & MOTORCYCLES

19.5.2019

SUNDAY 19 MAY 2019

A premier South Australian event for enthusiasts of vehicles manufactured in 1985 or earlier.

**COPPER COAST
CORNISH FESTIVAL**
Kadina • Moonta • Wallaroo

Yorke Peninsula South Australia
www.kernewek.org

Thanks to Vittoria for the use of their marshall yard.

Enjoy the gathering of classic vehicle enthusiasts over breakfast at the Wallaroo start, then cruise the spectator lined streets of the Copper Coast before arriving at the big Show 'n' Shine Rock 'n' Roll finale at Kadina Oval.

The Copper Coast Classic Cavalcade of Cars is a long established highlight on the South Australian Classic Car enthusiasts' calendar.

Held biennially, entrants and spectators get to enjoy much more than a static display.

Following the assembly breakfast, entrants get to enjoy an extensive three town cruise through Wallaroo, Moonta and Kadina which delights the thousands of spectators who line the route. Then the cavalcade finishes with a big Show 'n' Shine at the Kadina Oval which features a licensed venue and offers a fantastic Old Style Rock 'n' Roll band with dancing, sideshows, stalls and food and drink.

The Copper Coast Classic Cavalcade of Cars is a total experience that attracts some 500 vehicles with events to be seen in a number of categories.

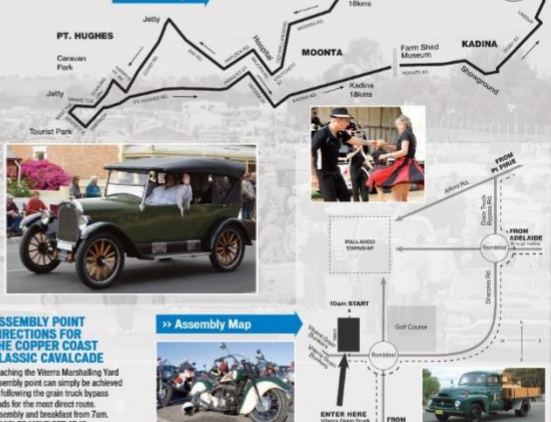

It is an event not to be missed!

A. Branford – Recent Life Members to be added to the board at club rooms.
2 Directors required for Rally Series, 27/4/2019 and 8/6/2019.

L. Upham – Fred Botha has made and donated a trophy, the club will use this at some stage during the year.
Assistant Secretary role was only held for 1 year last year, when all others are held for 2 years. It was offered as a 1 year role to assist new Secretary, roles with assisting roles are offset from each other.
New Treasurer? P. Heenan advised that Andrew Kriesl to do day-to-day, and Kathy Jolly to do quarterly requirements.
The office need to know who has paid their memberships. Members need to provide their own evidence that they have paid. K. Pohlner and S. Cutting to look at including a section for reference number online.
Encourages the club to use double sided printing.

A. Lennerth – suggested a checklist for members to fill in to indicated their preferred method of contact is, which events they would like to receive information about and what event/s they could volunteer for.

P. Heenan – suggested corporate days, to promote club, bring in sponsors and new members. Insurance was questioned, and Test days were suggested.
A letter to the council needs to be drafted in regards to the safety concerns of visibility and broken glass and metal at the entry road to SEAC club.
Need to check and complete series regs. MK is done, AX and Rally are needed.
Myob software has been suggested to be used for Club's book keeping.
After the time and effort required for the audit, Kathy Jolly, can understand why the bill for last years was so high.
The Myob record keeping will reduce the large fee at the End of Year audit.

Meeting closed: 8:30pm

Will give K. Pohlner list of members from the office to collate.

Subscription to newsletter website is not working.

R. Poel to follow up on trophies that are remaining at the office.

Is Cams affiliation paid and current? Need a copy up in office.

A. Bowering – will address Alan Balshaw's First Aid observations and work with him to update our 1st Aid .

Will approach Alan as a possible medic for hire at our events.

G. Wilson – has a spare transit van that the club could use as a patient transfer if needed.

B. Fisk – has delivered a Camery to the club for juniors to learn to drive, it's Manual and everything works, just needs a battery.

P. Lock – the Ford Laser at the club is free to anyone who wants it and will collect it, preferably a club member but not limited to.

The Magna is also up for grabs. P. Lock is available most days, except Wednesdays to meet at club for pickup.

Suggested adding a Payment details section to the online membership form.

A. Lennerth – asked about Club sponsorship, C. Boyd advised that he is in the process of chasing a few up.

P. Heenan – Audit by Kathy Jolly is complete. Kathy is happy to waive the charge for conducting the audit in lieu of a ride at the LOL hillclimb.

It will be about \$200 per quarter for the book keeping, but will significantly lower the cost of the next end of year audit.

Andrew Kriesl as day-to-day Treasurer and Kathy Jolly as quarterly Treasurer. Motion moved by: A. Bowering, 2nd by: R. Shephard.

To be removed from Bank Account Signatory: Kevin Raedel, Aaron Bowering, Stephen Saunders.

To be added to Bank Account Signatory: Andrew Kriesl and Tristan Crowe. Kate Pohlner to remain as a signatory.

Letter to the council about the safety of the driveway still needs to be written.

Coates hire is getting rid of their stock of TL2 water barriers, 47 have already been given to the Club and are at P. Heenan's place. Ironman barriers in Victoria are also being decommissioned, they would go for about \$250 a length, the Club is in line to get about 204 metres.

Coates have also gifted the Club the proceeds from the 26 water barriers that Portland hired for NYE (in addition to the 21 they hired from the club). An invoice for the hire of 47 water barriers needs to be sent to Kim Barclay.

Proposed a Junior driving/education service, once a month, 10 year old plus. Especially since the Grant District Council is closing their program. It will need to be well advertised, Borderwatch, Facebook, Website, possibly a promo night. Apply for Cams development grant.

Dirt Race, K. Raedel advised that Justin Dowell is interested. It will be a stand alone event for SEAc, part of the series for J. Dowell's club. Speed Licence, Full cage, Type 2 Rallysprint. Using Ross and Cags track from Rallysprint event last year.

C. Boyd – South West Stages. A. Bowering advised that it is coming along well, most things are organised, especially with Cams and sponsors, most things are on track 3 months out.

P. Height – Asked about a Rallysprint at Moorex this year. The date doesn't align, the 29th of June, clashes with Khanacross day/night. Will speak with A. Bowering and A. Branford at the committee meeting to organise a date. A TRE date could be nominated for Moorex.

Committee Members to be added to messenger group.

Meeting Closed: 8:50 pm
