Sunday 10th February 2019

Almost 30 people turned up on Sunday morning for the run to Naracoorte via Casterton. There was a variety of cars and the drive was uneventful except for a couple of wallabies and two sheep that could easily have caused some havoc.

After a nice lunch at the Naracoorte Hotel we travelled home via Penola where most stopped for coffee. An enjoyable and social drive on what turned out to be a reasonably nice day.

Join Bob in July for a Wintery Wander.

MEETING MINUTES

South Eastern Automobile Club of SA inc. General Meeting, Friday 1st of February 2019

Please note:
Minutes have not been
ratified until the
next meeting

Meeting Open: 7:40 pm

Apologies: J. Whitehead, B. Harry, A. Branford, K. Pohlner, S. Crowe

Present: P. Heenan, C. Boyd, L. Upham, H. Telford, R. Shephard, A. Bowering, G. Wilson, C. Harry, P. Height, S. Ryan, K. Trimnell, L. Doddridge, T. Crowe, K. Raedel, P. Wilson, B. Fisk, P. Lock, B. Hamilton, A. Lennerth

Minutes from previous meeting read by P. Heenan, accepted by R. Shephard, 2nd by H. Telford

Treasurers Report: NIL at time of meeting, finalising change over, awaiting signatures and access.

General Business:

L. Upham – new office options in the Border Watch, 9 Penola Road and 54b Gray St (per hour rate option).

H. Telford – Membership online needs a facelift, don't know if payments are being made.

Will give K. Pohlner list of members from the office to collate.

Subscription to newsletter website is not working.

R. Poel to follow up on trophies that are remaining at the office.

Is Cams affiliation paid and current? Need a copy up in office.

A. Bowering – will address Alan Balshaw's First Aid observations and work with him to update our 1st Aid .
Will approach Alan as a possible medic for hire at our events.

G. Wilson – has a spare transit van that the club could use as a patient transfer if needed.

B. Fisk – has delivered a Camery to the club for juniors to learn to drive, it's Manual and everything works, just needs a battery.

P. Lock – the Ford Laser at the club is free to anyone who wants it and will collect it, preferably a club member but not limited to. The Magna is also up for grabs. P. Lock is available most days, except Wednesdays to meet at club for pickup.

Suggested adding a Payment details section to the online membership form.

A. Lennerth – asked about Club sponsorship, C. Boyd advised that he is in the process of chasing a few up.

P. Heenan – Audit by Kathy Jolly is complete. Kathy is happy to waiver the charge for conducting the audit in lieu of a ride at the LOL hillclimb.

It will be about \$200 per quarter for the book keeping, but will significantly lower the cost of the next end of year audit.

Andrew Kriesl as day-to-day Treasurer and Kathy Jolly as quarterly Treasurer. Motion moved by: A. Bowering, 2nd by: R. Shephard.

To be removed from Bank Account Signatory: Kevin Raedel, Aaron Bowering, Stephen Saunders.

To be added to Bank Account Signatory: Andrew Kriesl and Tristan Crowe. Kate Pohlner to remain as a signatory.

Letter to the council about the safety of the driveway still needs to be written.

Coates hire is getting rid of their stock of TL2 water barriers, 47 have already been given to the Club and are at P. Heenan's place. Ironman barriers in Victoria are also being decommissioned, they would go for about \$250 a length, the Club is in line to get about 204 metres.

Coates have also gifted the Club the proceeds from the 26 water barriers that Portland hired for NYE (in addition to the 21 they hired from the club). An invoice for the hire of 47 water barriers needs to be sent to Kim Barclay.

Proposed a Junior driving/education service, once a month, 10 year old plus. Especially since the Grant District Council is closing their program. It will need to be well advertised, Borderwatch, Facebook, Website, possibly a promo night. Apply for Cams development grant.

Dirt Race, K. Raedel advised that Justin Dowell is interested. It will be a stand alone event for SEAc, part of the series for J. Dowell's club. Speed Licence, Full cage, Type 2 Rallysprint. Using Ross and Cags track from Rallysprint event last year.

C. Boyd – South West Stages. A. Bowering advised that it is coming along well, most things are organised, especially with Cams and sponsors, most things are on track 3 months out.

P. Height – Asked about a Rallysprint at Moorex this year. The date doesn't align, the 29th of June, clashes with Khanacross day/night. Will speak with A. Bowering and A. Branford at the committee meeting to organise a date. A TRE date could be nominated for Moorex.

Committee Members to be added to messenger group.

Meeting Closed: 8:50 pm

Next meeting: Friday 1st of March 2019, 7:30pm.

Minutes from Previous Meeting – read and accepted, K Raedel, 2nd C Boyd.

2. Naracoorte Historic Vehicle Club – re Naracoorte Swap Meet – 4th & 5th May 2019
3. Phil Fraser, PMD Race Products – re Legend of the Lakes Hillclimb (Peter Lock to action)

General Business

A Branford

- Needs a Director for 27th April for the Event to go ahead.
- Officials Introduction Course – will speak to CAMS and see about some training evenings, which could also be opened up to the LCORC. Peter Lock happy to assist.

K Raedel

- Has heard of talk going around Club Members stating that Positions held for the Legend of the Lakes Hillclimb were paid. Clarifying that no Members were paid for positions held in the organisation of the Event. If there are questions or issues, these need to be brought to a Meeting for discussion.

A Lenneth

- Questioned the response on a Facebook Post regarding the possible change of date for an Event. A reply was posted from the Facebook Executive Committee which could have been made by messaging rather than a post. Not aware of who responded on behalf of the Committee, but the password should be changed to prevent this from happening again.

K Trimnell

- Made a Facebook Post to gauge interest in the possibility of changing the date for the long weekend Motorkhana Event. There was a positive response, but have decided to go ahead as is. Bruce Hamilton will be Director with Kevin Raedel and Laurie Upham to be Stewards.

L Upham

- Questioned if there is an up to date record of keyholders for both SEAC Park and the Office. Trophies have been removed from the Office, but unaware of who has taken them.
- Block of land that the office is situated on is for sale. Paul Heenan advised that the Council has an office space available on Penola Road which would be suitable to house a 'Motorsport Hub', which could include SEAC, Speedway, LCORC. Ken Trimnell will arrange with Council to have a look.

- Chasing up final figures for the 2018 Hillclimb and Food Van takings. Paul Heenan advised that they will be finalised by next General Meeting.

B Fisk

- Questioned the plans and actions for the bus shelters. Will require a bit of work before anything can be done with them.
- Hillclimb – thoughts into who is doing the work this year. Need to work smarter and spread the work load better. Need to check with Council regarding Disc Golf Tournament the weekend before, and if this will effect the set up at all.
- Discussed the mess on the road from Keith Pearson Scrap Yard – has a letter gone to Council to complain.

P Lock

- Will review the key holders for the Club and update and re-issue where required. Will look into a Master Key system with Wilson Security to avoid unauthorised duplication.

C Boyd

- Heywood Wood Wine and Roses Festival – what is happening with the gate payments. Ken Trimnell has spoken with Kym Barklay who advised that Competitors will pay and then the Club will be reimbursed. A list of Official's names to be provided and they will be let through free of charge.
- Has asked Carter Holt Harvey if the Club could have the ramps from Nangwarry to use as viewing platforms at the Club. Awaiting response.

K Pohlner

- Questioned Meeting Minutes being available for anyone to view on the website. General discussion was had with the conclusion that it is not a good idea or safe. Need to look at ways to email them to members as a separate document to the newsletter. If public want a copy they can contact direct.
- Passwords to be changed for the Website and Email access.

P Heenan

- There is a clash of dates in October with the RallyX and Mount Crawford event. Should this be run as a club event? Will let it sit for now as the March event will give an idea of local numbers.
- The Club has been asked by Guy Tyler if we would be interested in running the RallyX at The Bend on the 6th and 7th July. Need to think of what the Club would charge for services if it is to go ahead.
- Has been approached by the Drift Club wanting to hire barrier (150 m). Coates charged \$3 per metre, per day with a minimum 7 day hire. SEAC to charge \$600 in total in this instance – maximum of 7 days hire, with an agreement / contract to be signed to hold them liable for any damages. They will be responsible for transport. (Barriers need to be rebranded with SEAC and Coates removed prior to. Those that are holding full water also need to be marked).

Meeting Closed – 8:50pm
