Car Club Programme

(Contributed)

On Monday, April 27, the S.E. Automobile Club will run the annual Henri Post Trial over a distance of approx. 100 miles.

Several different types of navigation will be used.

The club hopes to run, in the near future, a motor gymkhana which will be open to the public, to raise funds for the St. John Brigade. Entries from young local drivers are expected to be high as they will be able to meet club drivers in events that rely on driving skill.

Some of the Commercial Street gymkhana drivers will have an opportunity to show their skill where it can be appreciated.

The Gasoline Economy Run.

The first cars started arriving at Langes as early as 9 o'clock, and topping up the tanks and weighing the cars was begun immediately.

Thanks to the co-operation of the pump attendants this operation went as smoothly as you could wish. The filler caps were sealed and the cars were lined up from the Federal corner back to Langes.

A very good field of 29 cars started to leave at the scheduled time of 11-01, one minute being the time between cars.

The run was through to Casterton, Chetwynd, back to Casterton, across to Penola and so back to the Mount.

An hours break was given for lunch, and this was the nicest part of the day, it was really most impressive to see the 29 cars lined up in this almost English setting. The small cottages and general store nestled beside the river made a perfect setting for the cars.

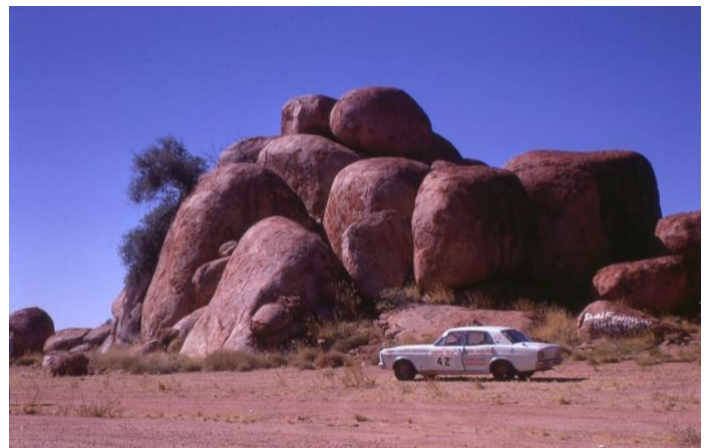

The weather too was kind, the rain holding off until after lunch was over and the last car had left for Penola.

The cars checked in at a passage control at Penola and then back to the Mount where they were again weighed and the tanks filled.

Thanks to really good work behind the scenes, the results were out almost as soon as the last car had weighed in.

The final results were:-

1st. R. Downes.	Peugeot.	42 m.p.g.	55.25 t.m.p.g
2nd. G. McRae	V.W.	43.52 "	47.87 "
3rd. J. Cole	Consul	35.59 "	45.38 "
