PRESIDENT'S REPORT

Well sitting on couch eating dinner after a weekend at Moorex Off Road Masters and what a great event them guys put on. I think half of our club was there helping (maybe that's the secret to their success). Seriously, hats off to Keg, Jennings and crew. It's one of my favourite events to go to every year.

The midway point of our season is here and reflecting on the first half of the year I believe it's been fairly successful for the club. Our only event this month being the Challenge of the Clubs weekend was a great weekend. Experts said the navigation was hard and a first time 14 year old navigator guided the crew to victory. Everyone who competed had great words to say. Well done Heath Weedon. Another SEAC Park grass motorkhana was well run by Team Height. Everyone but the Cagney's loved the autocross to finish the weekend's competition. I think Nicholas enjoyed stoking the fire Sunday night more than the racing!!

It's been and will be a busy winter's break for the majority of us with away events and plenty of jobs to do at SEAC Motorsport Park and prep work for the big events to finish the year. The building of the shed is well underway; thanks to Paul Heenan for building the foundations. As most are aware we are in the process of making a few changes to the outer parts of the track to make it comply with rally cross standards. The track itself will not change, it will just be a bit wider in a couple of spots and rip and roll it so it is a better racing surface for all.

That's all from me. Remember real racing is done on dirt!! Keep warm and see you at meetings over July. Talking of meetings the members draw is up to \$150.00 for this Friday's general meeting.

Cheers seeya soon!

CORRESPONDANCE

Let's "Potter off to Portland" for Lunch!

Sunday July 16

Leaving from the Lady Nelson at 10.15am

Anybody welcome preferably in a "DIFFERENT" car but your daily driver is OK .

This is just a social day with lunch up to you. Being the middle of winter lunch venues may be limited.

It would be nice if we had a big group of "out of the ordinary" cars so dust off the Porsches, Mustangs etc. (or even the 1600's) and make a day of it.

Lady Nelson 10.00am July 16. Be There!

Thanks Bob.
