NOTICEBOARD

Please Note: Over the last 6 months SEAC has been working on a new Membership Card system for its Members. Starting the 2021 season, your old cardboard Membership Card will be replaced with a new credit card style Membership Card. This new process will make the sign on at events easier, where the Secretary can confirm your Membership status online prior to. For convenience and ease of identification, a new 5-digit Member number will be allocated to you, this will be your new Member number, this will also ensure that all Members are not accidentally assigned with the same number. Once your Membership application and fee has been processed, your new Card will be sent to your nominated postal address via Australia Post (please allow up to 14 business days).

The link to the online Membership Application Form, along with 2021 Fees can be found below. If you are having trouble filling out or accessing the online form, you can go to the SEAC office (open Thursday afternoons), and someone will be able to assist you through the steps to complete your application.
