11. STARTING ORDER & PROCEDURE:

Starting Orders

Each driver and automobile is considered to have come under "Starter's Orders" on arrival at the start grid. Having come under starter's orders, such driver and automobile shall be considered to have started. Failure to proceed to the allocated start line on the grid when directed to do so may involve forfeiture of the run.

Starting Procedure

Automobiles will start two at a time for Rallycross 1 and four at a time for Rallycross 2 from a Rolling Start, Start procedure will be Explained at the competition.

Jumping the Start

A driver starting when red lights are illuminated, or before the start flag is raised, shall be penalized 30 seconds, which is added to the driver's time for the event.

The Stewards shall have the power to increase any specified penalty and/or to apply other penalties.

12. RUNNING DETAILS:

Heats

Automobiles from different categories and type in Rallycross 1, will run separately in the heats, placings allocated after each heat has been run and drivers will be allocated points. Total of points over 4 heats will determine placings on the day.

Automobiles that have left the track may only return to the track when it is safe to do so, taking into account the presence of other automobiles.

Drivers who deliberately shorten the course to gain an advantage shall incur a time penalty of 30 seconds per offence.

Rallycross 1 and Rallycross 2

The competition will consist of heats only and the general classification shall be based on the total number of points over the 4 heats, plus penalties, if any.

The winner will be the driver with the highest aggregate points score from all 4 heats.

Where drivers have equal points at the end of the 4 heats the higher place will be awarded to the driver who has the fastest time in heat 4.

Joker Route

In each heat one of the laps must include the Joker Route. The penalty for a driver who does not take the Joker Route once will be 30 seconds.

The penalty for a driver taking the Joker Route more than once in a heat will be 30 seconds. Judges of fact will be appointed to record which automobiles pass through the Joker Route, and how many times.

Grid

- Commence concurrently for all automobiles in an event
- Timing equipment in use for Race Meetings will be the only official times for Results – No third party equipment will be recognised to determine results

Pointscores

All Classes:-

All the heats (4) will be timed and the fastest driver in each heat will be awarded 50 points, the second fastest 45 points, the third fastest 42 points, the fourth fastest 40 points, the fifth fastest 39 points, the sixth fastest 38 points, the seventh fastest 37 points and so on. Those drivers who did not complete a heat "DNF" will be credited with a total of points equal to the number of points that the slowest driver would be given, less one point.

Supposing that all the starters in the Competition were classified, those drivers who did not start the Heat "DNS" and those drivers who were excluded "EXC" from the heat will not be credited with any points.

If a race is restarted, a Driver who started in the first or subsequent starts, but was not able to start in the race that was completed, will be shown as "DNF" instead of "DNS" and will be credited with the appropriate number of points.

Known non-starters will be omitted from the published grid sheet. After the first race in a heat has started, a non-starter in a later race will only be replaced if his absence means that the race has fewer than three starters.

After the heats, there will be an intermediate classification according to each driver's total points scored in the Four heats.

In the event of tied positions in the intermediate classification, precedence will be given to the drivers(s) who were the fastest in the 4th heat. To appear in this intermediate classification a Driver must have crossed the finish line and been duly classified in at least two heats.
