PRESIDENT'S REPORT

Well hello and welcome to April. Where has the first ¼ of 2017 gone??? Not long now rally heads and we get an event to compete in! As for all other disciplines of SEAC, everyone has had the chance to give their cars the first blast of the respective season and with some great results. Once again very well ran events by some hard working members.

Round one motorkhana would have been better entered in a jet boat and it was a fantastic choice for Mick Argoon and I to do our turn in the caravan for the year. Eight days later, round 1 auto x was like being in another country with 32 degree heat full sun and just a little bit of dust to greet the 51 entries, VCAS looked popular. RIP the light blue Lancer; yes SEAC Park does still bite.

In my opinion, the Club had a very special day the day after autocross with the facility being hired out to Active Rally Sport for a day of testing. Troy turned about 50 laps for the day and went home with a much better lap time than when he started Sunday mornings Autocross. Best of luck overseas at Rallycross, I hope you do well Troy Dowel. PS cheers for the ride.

The Shannon's insurance Twin Peaks hill climb was a great day out. I believe the opportunity we gave to SEMA to hold a drift event the day before was a huge success for all involved. A few of their boys and girls helped us transport some equipment to and from the event and helped set up Friday afternoon. Here's the other half of this story... We all love to compete at events but unfortunately the number of local entries compared to the number of local helpers is very, very, different. Crunch time has come and NOW is the time for more people to step up an offer help for 2018 or it will not be calendared. Yes, we all have work, family and life commitments, if you can race for a day, surely you can spare some time to help too.

Cheers to everyone for their support and help over the last month. We have achieved a lot at SEAC Motorsport Park and ticked lots of boxes. The venue is somewhere that every single club member should be proud of as it's "ours". Trying to explain to people that the Club owns the land, the infrastructure and the equipment we use to maintain the place is over whelming at times. Helen had to guard the venue with her life while our visitors were here testing as they were pretty keen to relocate our playground to Melbourne. Maybe we're luckier than we sometimes think to be in the position we're in!!

Enough from me; apparently I have to paint a new front bumper and change a bent radiator after a slight deviation from the drive line at Port Mac.

Happy Easter, see you back on the dirt "the real race surface" in a few weeks.

Mr President

ROUND 2 KHANACROSS/AUTOCROSS

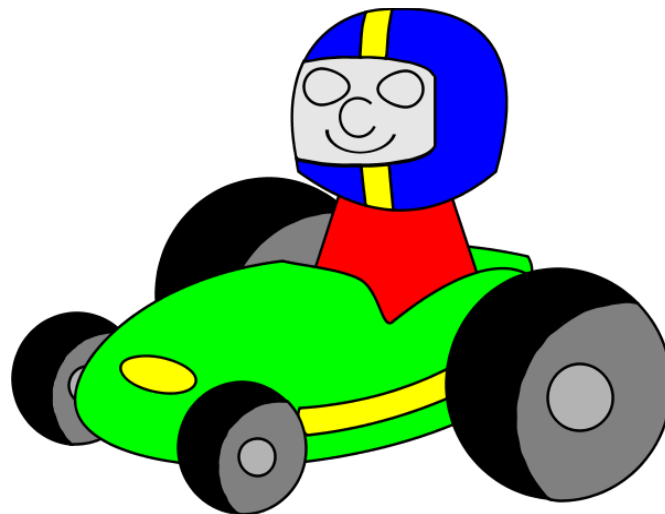

April 22nd & 23rd 2017

Senior and Junior Team Challenge

RULES

1. Team to consist of one junior and one senior.
2. Nominate one person from each team to collect points from either event.
3. The highest ranked team from each day will be awarded 50 points, 48 for 2nd, 46 for 3rd and so on.

This is a fun based activity with no effect on either series at all. There will be a few prizes, and lots of fun and laughs along the way!!!!

SEAC CATERING VAN

Calling on all members to please do their bit and offer to help in the van once this year.

It's not a hard task. It's actually a bit of fun, very social and always a laugh to be had.

The more helpers we get, the easier it is and *feel free to bring along scones or mud cake to sell on your day*. The president has a sweet tooth!!!

Contact the Event Directors and see if we can have it at ALL events this year!

PS I need a volunteer for round 2 Khanacross Saturday evening April 22.

LETTER TO 2017 TRE COMPETITORS

Attention All 2017 TRE Competitors

- 2017 will once again be a five round series with four counted for points.
- Due to lack of directors coming forward to do events this year, the clubs made the decision to piggy back the first round on the back of the Darryl Tunbridge event run by the Ballarat Car Club. The guys who have done this event in past can tell you how great the roads are and how much enjoyment you will have.
- Round 2 will be The Challenge of Club's weekend.
- Round 3 will be a Rallysprint Series event at Moorex on a new and improved track that the Limestone Coast Offroad Club has been working hard on.
- Round 4 will be a local TRE based event.
- Round 5 will be included in the state event at Heywood and **WILL** require a cage.
- Please plan your year around the events on offer. Anybody upset about the away event or needing a cage for round 5, sorry, but with limited directors available for 2017 that's what we have.
- Let's make the most of it and see who can knock Simsy and Heath out of there outright positions of 2016.

SEAC President
