President's Report

Well here we are on the eve of the 2018 motorsport year. Here's hoping everybody had a great festive season.

First up hats off to Heath and Michelle Weedon. Once again the Presentation Dinner was fantastic, with near 100 members there. Great effort by all who attended and well done to all of 2017 trophy and award winners.

I am very honoured to have been granted Life Membership of this great club. As most of you know the club is my life and has been for a number of years. I haven't ever put the effort in for the purpose of gaining life membership, more for the great mates in the club and the future benefit of the club for years to come, just like the past members have done for us.

Congratulations to Paul and Locky too, very well deserved.

My favourite event as SEAC President was a tie between the Australian Motorkhana Championships and the South West Stages Rally. Both directing teams, led by Metho and Bowser, were ran professionally and with 100% dedication and excitement.

My favourite event as a competitor was the final Auto X round, the atmosphere was something the club used to see every single event for years, but as the club has evolved it has grown bigger and busier. Bring on some great events and after race get together.

Please don't be shy in volunteering for jobs to make events run this season, both behind the scenes and on the day events need a big heap of effort put into them.

First event off the rank is a twilight Motorkhana. The following weekend sees a 2 day Port Mac Hillclimb, much excitement is building over the twilight Saturday run. I personally think it will be a great spectacle from the limestone viewing platform.

Well, I best get back to bolting my new wheelie car together for the first event or I'll be spectating...and that sucks.

Cheers, Kev.

P.S. Real men and women race on the dirt!!
And maybe a twilight Hillclimb!!
