DEFINITION OF AN AUTOCROSS	Autocross is a single car speed event with a length of no more than 4km and not less than 400m on a grass and/or unsealed surface, occasionally combined with sealed surfaces when conducted on a permanent circuit. No straight section may exceed 200m in length. Sharp corners, water hazards, crests and other tests of driving skill may be used, but should not follow immediately from sections expected to be relatively fast. Suitable markers shall indicate the edge of the course. Penalties will apply for hitting or moving a course marker or short cutting of the course. Each participant only will be allowed to traverse the course in a vehicle at non-competitive speed before the start of the event. The finish will be marked by a 'Flying Finish' warning followed by a 'Flying Finish Sign' as per the 2022 Standing Regulations. It is the responsibility of the participant that the correct course is followed.
CLASSES	Vehicle Classes shall be in accordance with the SEAC 2022 Autocross Series Standing Regulations.
