Matt Kirby at the Barco Khanacross at the Heywood Wood, Wine & Roses Festival

FROM THE PRESIDENT

Well it's the end of the first month of the season and what a full on month it's been. 3 events to start the year off in 3 weeks.

Round 2 of the Motorkhana series was the first event for 2018, and yes, it seems the juniors are just getting quicker and quicker with good car control on display.

Shannon's Insurance Twin Peaks Hillclimb was well attended, the night section looked like it was fun. 11 runs were offered to competitors over the weekend, which is truly a great effort by all officials, a big thanks to the radio group for a massive effort.

Back to dirt where real racing is done for the 3rd event of the year, BARCO Khanacross in conjunction with the Wood, Wine & Roses Festival in Heywood. Kim Barclay and his crew have put in a serious amount of hours at the track, the smiles on the drivers faces as well as the times of the vehicles is proof that the Heywood crew made a decent effort.

In true SEAC style the boys travelling away to compete at the first Australian Rally Round at Ballarat were offered the chance to have a test session at SEAC MOTORSPORT PARK this weekend, and looks like SEAC will again be fighting for championship wins at all levels this year. The chance to do this at our venue in a safe, controlled environment is something any member of the club is entitled to and is something the current committee is more than happy to promote. Good luck in Ballarat, looks like Cags and I are on the spanners as our cars aren't ready, or we could just go for a couple of beers and spectate?

Over the coming months, leading up to June, there will be lots of activity at SEAC Motorsport Park getting it in top condition to showcase it to our entrants for the Australian Khanacross Championships. Please don't be shy in coming and lending a hand to make our club property the best it can be.

I hope everyone has a great March competition-wise, I'm sure it will be another great month of motorsports locally and away. See you all sideways on the dirt for the Round 1 Heenan Earthmoving SEAC Super Series "Autocross".

Cheers,
Kev

Champion of the Twin Peaks 2018 Simon Feil #1 Evo 8

The sun was shining as the Port Mac Twin Peaks Hillclimb geared up for 2018. 45 drivers lined up for the First Round on the Eastern course getting under way on Saturday afternoon. The first car off the rank was reigning champ Simon Feil #1 in his Mitsubishi EVO 8. Feil set out to beat his 2017 Outright Winning aggregate time of 1:38.02.

The drivers completed the first three rounds as the sun was setting, and came back after the break for the fourth and fifth rounds in the dark.

Geoff Teagle #14 in his late model GT Ford Falcon packed up early after coming off the track with steering issues, but was back the next day in Peter Burn's Triumph Stag, maintaining similar times.

A couple of drivers found their way into the shrubs but after getting a tow out came away unscathed and continued on.

The quickest time on Day One was Feil with 0:53.28 by a margin of more than one second.

Day Two started out Sunday morning under an overcast sky, and with the addition of the Western course.

The 6th heat went smoothly, and the 7th wrapped up with some drizzling rain starting half way through. The rain continued on during the break and the first few drivers felt the pressure coming into Round Eight with some slower times on the wet track.

Sam Becker #35 Sigma

TWIN PEAKS HILLCLIMB

Some drivers experienced encounters with the wildlife but no one did anymore gardening. Day Two's main rounds came to a close with the best lap times of 0:51.99 on the Eastern side and 0:48.24 on the West.

The rain held off for an exciting Top Ten Shootout, with nearly everyone bringing their quickest times on the Western side. David Harris' #20 Subaru WRX was towed off at the turn-around on the Eastern Course, jeopardising his chance in the Shootout.

The final two were intense to watch from the timing bus on the Western course, with both competitors cracking the mark of the driver before them!

Cheryl Harwood #47 FJ Holden

The rain set in again as the trophies were presented by Dave Baudinette from Shannons Insurance. Congratulations to Simon Feil for taking out First Place Outright and First in 4WD Saloon, and cementing his place as reigning Champ. Beating his 2017 time with 1:37.17.

Well done to Damien Brand in Second Place Outright, and Glen Letter in Third.

NOTICE BOARD

Not such a quick job...

As one of the crew who maintain SEAC assets I had to do a quick trip out to Motorsport Park the other day.

When I got there I had to move the club Laser, which had a flat tyre, which I changed...then it had a flat battery...no problem I have jumper leads...but someone had borrowed the ignition coil... Ok, go back home for tool box and stuff, return and rectify. Fixed, car moved.

Now move club Colt...no battery. Install fresh battery and move car...done.

Next need to move club Magna which has two missing wheel nuts plus dead battery...take battery out of colt and fit into Magna...move Magna...done.

Now need to move club Kia...dead battery...bugger it, can stay where it is!

Needless to say, my "quick job" became close to three hours...

This set me thinking...dangerous, I know!

Club assets are for members to use, so that is ok, but if something is borrowed, broken, damaged, etc the item needs to be replaced, repaired or repairs arranged as the case may be...fair enough??...If no one knows, it won't get fixed...

After all, next time the item is needed (maybe by the person who used it last) it may still be broken and therefore useless.

So we need your thoughts on this...

How many juniors actually use our cars?

Does the \$10 hire fee cover the cost of maintenance ?

Probably not ...and should it?

Are novice juniors aware that we can supply cars to learners for their first year?

The club has these cars to assist novice juniors into their motorsport experience, we need to be sure that this happens.

If this concerns you and you have thoughts/suggestions, please bring them to a general meeting, on the first Friday of the month at SEAC park.

Peter Lock, Committee Member and General Fixer of Stuff...

General Business

R Shepard – Quote received for Transponders between \$34/\$38K, was quite high, more than expected, up to \$20K would be more probable. Not worth the \$ for the amount that they will be used. Put on hold needs more discussion at next Executive Meeting.

H Telford –

Working on the phone system for the office, a letter of authority needs to be penned to Telstra to allow new SEAC contact person.

Khanacross Sub Regs.

Do Junior Members get their first Event free? Yes they do, but there is a \$10 Club Car Fee if required.

Timing System Upgrade.

The Timing Hut is looking very sad and falling apart, should this be done from upstairs. Salvage what can be saved from Hut and rest to be disposed of on the bonfire.

T Crowe -

Questioned the 5 trailers in the driveway and the fence boundary lines.

Speedway Committee very appreciative and happy with the help from SEAC Members assistance with the parking.

P Lock –

Seeking confirmation that online Memberships are now active. Concerns with possible new members being confused with the Categories, but otherwise great job by Bev.

Members should be encouraged to renew their Memberships September / October, can rates be set earlier in the year to allow this.

MEETING MINUTES

General Meeting Continued

P Gorback –

Had trouble finding fuel last time he did the lawnmowing, wondering where jerry cans are.

Happy to continue to do the mowing, but was advised that at least two people are to be present while doing so, for safety reasons.

Fence is down up from the gates and needs repairing.

J Whitehead –

Has approached Wannons and Russell Industries regarding new lawnmower quotes. Also the possibility of Council ex tender mowers. Is happy to shop around and get quotes and report back at future meetings.

K Pearson –

Concerns regarding truck parking, advised they are there temporarily, due to the fill.

Questioned if the fill is wanted or not? He has been waiting on Paul Heenan to clear what is wanted to be used by SEAC. Bailer is coming end of February.

Temporary fencing was offered to the Club if they wish to use it, more than happy to lend for events. Questions raised to the actual ownership of fences, and receipt of purchase from Australian Temporary Fencing.

The mess at the gate will be cleaned in the next month or so, and will be finished by June.

Any problems or concerns please phone Keith directly.

Bowl Fill to be discussed at Executive Meeting.

C Boyd –

Questioned if there is a current up to date key register, and who has keys at the moment?

K Raedel –

For insurance reasons, Curtis or Kev need to be advised if anyone is on SEAC grounds (ie, lawnmowing).

The Food Van has been leased out for six weeks at \$300 per week to A Slice of Metro. Helen is happy to give it a clean prior to delivery.

The track is looking awesome.

Working Bee to be held on Wednesday at 5:00pm.

Australian Khanacross Committee needs to be formed and first Meeting to be held straight after Working Bee Wednesday.

The Port Mac Hillclimb coming along nicely with 27 Entries so far. Barriers to be loaded also on Wednesday.

LOL Hillclimb Meeting to be held in March either on a Thursday or Friday, would love Wendy to possibly return, which she will consider.

K Pohlner –

Has been asked by Bev to chase up standing regs for four disciplines as the first event is next week and she has not received anything. John will chase up Aaron.

Meeting Closed – 9:00pm

Ashleigh Staude at the Motorkhana Round 2

Patrick Hitchcock in his Peugeot at Heywood

All in favour

Transponders. Kevin has spoken to CAMS regarding the possibility of a grant to pay for half of the amount. Quote is currently valid until the 22nd February. Steve will look further into possible CAMS funding, and Curtis will look into the Office of Recreation and Sport.

LOL Hillclimb profit is sitting at \$15,000

Exchange Printers – Order Numbers are now required to make purchases.

C Boyd –

BP Thruway Gambier West have committed \$500 sponsorship to the Australian Khanacross Championship in way of either cash or diesel. CRC have also been approached for either cans for bags, or cash sponsorship.

K Raedel –

The Khanacross Meeting was a waste of time with no decisions made. CAMS expect rally tyres and a survey that was done came back that majority want rally tyres, or will not come to the event.

S Saunders moved a Motion, 2cd B Fisk

The Australian Khanacross Championship to go ahead, with no restrictions on tyres, and entries to be split into classes reflecting such choice.

All in favour
