

It's that time of the year

1st Hillclimb meeting for 2018

Date: 22nd March 2108
Day: Thursday
Time: 7.30pm
Location: SEAC Park, Megaw Road

Time to lock in the officials, see some new people put their hand up to help in an official capacity. Make some decisions about what to do to improve the event and attract more competitors and more spectators, this includes a feasibility study into big screens.

So if you have some time, love motorsport, come and have your time in the sun and make the event shine.
