There will be both lunch and dinner breaks at the normal times. Sat evening will be a Night Navigation Trial run by SEAC to their proven formula, in both Vic and SA. Sunday will consist of Closed Road Sections and Autocross runs at SEAC Park followed by a bit more untimed navigation before finishing for lunch and some timed runs at a round of the SA Khanacross Championship, being run close to Mt Gambier. We will finish up mid afternoon so you will be able to get home at a reasonable hour. You don't need a rally car for this event, just basic safety gear.

# COVID-19 Statement

The concessions and restrictions placed by the Victorian Government on movement and activities during the COVID-19 Pandemic are extremely fluid in nature. There is a strong possibility the measures needed to be taken by individuals and organisations may be significantly different between the date these Supplementary Regulations are published and the date of the event. It is therefore necessary that the HRA Website Vicrally Website, HRA Facebook Page be monitored for Bulletins and variations to the Supplementary Regulations prior to the event. Competitors will get a link to an electronic bulletin board and this will be the official source of information as we can monitor who has accessed the communication. Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense of smell. Under no circumstances should anyone attend the event if they have been; 1. Overseas in the previous 14 days; or 2. In contact with someone who has been overseas in the previous 14 days; or 3. In contact with a known COVID-19 positive case in the previous 14 days; and 4. have not been in any area or location that has a travel restriction applied due to COVID-19 in the previous 14 days, except where an exemption is applicable as determined by the relevant Government authority, and for areas with travel restrictions where applicable. It is highly recommended that if any participant exhibits symptoms consistent with COVID-19 prior to the event then the individual should take a COVID-19 test through Vic Health or their regular doctor. Motorsport Australia strongly encourages the use of the Australian Government's 'COVIDSafe App' for all event participants. Many administrative and operational processes for the event may be very different to what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read these Supplementary Regulations closely and in the lead up monitor for any applicable changes that may be made to the event as they become available. Social distancing and other COVID-19 practices must be observed at all times.

## **RISK WARNING AND ASSUMPTION OF RISK**

**Motorsport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death. If you do not wish to be exposed to such risks, then you should not participate in the Motorsport Activities.**

### **Acknowledgement of Risks**

I acknowledge that the risks associated with attending or participating in Motorsport Activities include but are **not limited** to the risk that I may suffer harm as a result of:

- motor vehicles (or parts of them) colliding with other motor vehicles or persons or property;
- other participants acting dangerously or with lack of skills;
- high levels of noise exposure;
- acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and
- the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure my safety.

### **Exclusion of Liability, Release and Indemnity**

In exchange for being able to attend or participate in the Motorsport Activities, **I will and agree to:**

- to **release** Motorsport Australia and the Entities to the extent that any or all of them are providing Recreational Services from all liability for:

- my **death**;

- any **physical or mental injury** (including the aggravation, acceleration or recurrence of such an injury);

- the contraction, aggravation or acceleration of a **disease** including but not only COVID-19;

- the coming into existence, the aggravation, acceleration or recurrence of any other **condition, circumstance, occurrence, activity, form of behaviour, course of conduct or**

#### **state of affairs:**

- that is or may be harmful or disadvantageous to me or the community; or
- that may result in harm or disadvantage to me or the community,
- any claim for any costs and expenses I may incur as a consequence of any of the above;

arising from my participation in or attendance at the Motorsport Activities;

- to **indemnify and hold harmless and keep indemnified** Motorsport Australia and the Entities to the maximum extent permitted by law in respect of any Claim by any person; and

- to attend at or participate in the Motorsport Activities at my own risk.

### **I understand that:**

- nothing in this document excludes, restricts or modifies any rights that I may have as a result of significant personal injury that is caused by the Reckless Conduct of Motorsport Australia

and the Entities as the supplier of the Motorsport Activities and Recreational Services;

- nothing in this document prevents Motorsport Australia and the Entities from relying on any laws (including statute and common law) that limit or preclude their liability;

• nothing in this document excludes any term or guarantee which under statute cannot be excluded, however the liability of Motorsport Australia and the Entities is limited to the minimum liability allowable by law;

- nothing in this document precludes me from making a claim under a Motorsport Australia insurance policy where I am expressly entitled to make a claim under that insurance policy; and

- Motorsport Australia has arranged for limited personal injury insurance coverage which may provide me with some protection for loss, damage or injury that I may suffer during my

participation in the Motorsport Activities. I acknowledge and accept that the insurance taken out by Motorsport Australia may not provide me with full indemnity for loss, damage or

injury that I may suffer during my participation in the Motorsport Activities, and that I may have to pay the excess if a Claim is made under an insurance policy on my behalf. I agree that

my own insurance arrangements are ultimately my responsibility and I will arrange any additional coverage at my expense after taking into account Motorsport Australia's insurance arrangements, this document and my own circumstances.

### **Where Motorsport Activities are held in the following jurisdictions, I acknowledge that I have also read and accept the following warnings:**

Under Australian Government Consumer Law (which is part of the **Competition and Consumer Act 2010 (Commonwealth)**), several guarantees are implied into contracts for the supply

of certain goods and services. I agree that the application of all or any of the provisions of Subdivision B of Division 1 of Part 3-2 of Australian

Consumer Law (i.e. guarantees relating to

the supply of services), the exercise of rights conferred by those provisions, and any liability of Motorsport Australia and the Entities for a failure to comply with any such guarantees, are

excluded. However, such exclusion is limited to liability for:

- death, physical or mental injury (including aggravation, acceleration or recurrence of such an injury of the individual);

- contraction, aggravation or acceleration of a disease of an individual; or

- the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs

in relation to an individual that is or may be harmful or disadvantageous to the individual or the community, or that may result in harm or disadvantage to the individual or the community.

This exclusion does not apply to significant personal injury suffered by me as a result of the reckless conduct of Motorsport Australia and the Entities.

### **Warning Applicable in Relation to Motorsport Activities Held in Victoria**

#### **Warning Under The Australian Consumer Law and Fair Trading Act 2012:**

Under **The Australian Consumer Law (Victoria)**, several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this

form is required to ensure that the recreational services it supplies to me:

- are rendered with due care and skill;

- are reasonably fit for any purpose which I either expressly or by implication, make known to the supplier; and

- might reasonably be expected to achieve any result I have made known to the supplier.

Under section 22 of the **Australian Consumer Law and Fair Trading Act 2012 (Vic)**, the supplier is entitled to ask me to agree that these conditions do not apply to me. I understand that

if I sign this form, I am agreeing that any rights to sue the supplier under the **Australian Consumer Law and Fair Trading Act 2012** if I am killed or injured because the services were not in

accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

**Note:** I note that the change to my rights, as set out in this form, does not apply if my death or injury is due to gross negligence on the supplier's part.

"Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or

omission. See regulation 5 of the **Australian Consumer Law and Fair Trading Regulations 2012** and section 22(3)(b) of the **Australian Consumer Law and Fair Trading Act 2012**.

### Warning Applicable in Relation to Motorsport Activities Held in South Australia

Under sections 60 and 61 of **The Australian Consumer Law (SA)**, if a person in trade or commerce supplies me with services (including recreational services), there is a statutory guarantee that those services:

- will be rendered with due care and skill; and
- any product resulting from those services, will be reasonably fit for the purpose for which the services are being acquired (as long as that purpose is made known to the supplier); and
- any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve, (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

### Excluding, Restricting or Modifying My Rights:

Under section 42 of the **Fair Trading Act 1987 (SA)**, the supplier of recreational services is entitled to ask me to agree to exclude, restrict or modify their liability for any personal injury suffered by me or another person for whom, or on whose behalf, I am acquiring the services (a third party consumer). If I sign this form, I am agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if I or the third party consumer suffer personal injury.

### Important:

I do not have to agree to exclude, restrict or modify my rights by signing this form. The supplier may refuse to provide me with the services if I do not agree to exclude, restrict or modify my rights by signing this form. Even if I sign this form, I may still have further legal rights against the supplier. A child under the age of 18 cannot legally agree to exclude, restrict or modify their rights. A parent or guardian of a child who acquires recreational services for the child cannot legally agree to exclude, restrict or modify the child's rights.

### Agreement to exclude, restrict or modify my rights:

I agree that the liability of Motorsport Australia and the Entities for any death or personal injury that may result from the supply of the recreational services that may be suffered by me (or a person for whom or on whose behalf I am acquiring the services) is excluded. Further information about these rights can be found at [www.cbs.sa.gov.au](http://www.cbs.sa.gov.au)
