PRESIDENT'S REPORT

Well the year is going quicker than a packet of Tim Tams after a SEAC meeting!!! The club has had a big showcase of events in the last few months. State Motorkhana was another quality, wet weekend. The AMC was a 100% show to the Motorsport Community how great of a club we are and how well we run events. Talking of motorkhanas, there is a lot of excitement about trialling the summer motorkhana series. This will be a huge benefit to club volunteers in a lot of ways and will mean better weather (fingers crossed). South West Stages was a huge success; hats off to Nathan for directing a great event. The roads chosen by Kev Millard and Kim Barclay were the best we've seen in the local area for a longgggg time. Our attention now turns to Hillclimb time. With a few of the older generation stepping back, it's time for the young generation to step up and make this events future as great as it has been in the past.

Now for some not so sweet talk... AGM is start of December. Vice President and Secretary are up for grabs. These are both important jobs for the club and also very rewarding; it can be as easy or hard as you wish the job to be.

For over 60 years General Meetings have been on the first Friday of the month. If you have contributions to make, this is the time and place to do it. If you don't like the way the club is heading please come along and have a say!!

More positive news! The 2018 Australian Khanacross Championship will be held at SEAC Motorsport Park. This will be one of our biggest opportunities to showcase our premises on a national level. It already has a lot of interest.

Well that's me for now, best of luck to everyone finishing cars for Legends. As Clerk of Course for this year's event and on behalf of my two assistants, short and tall Paul, please give us some help with the setup of this great event. It's very rewarding and a lot of fun, often a treat of ice cream or Helen's baking is treated to us!! Bring on the biggest and best event in the state!!!!

Kevin Raedel
SEAC President

CORRESPONDANCE

CONDITIONAL REGISTRATION

Due to the large number of vehicles and members involved in the conditional registration scheme, all business regarding renewal of memberships and update of vehicle logbooks will now be conducted at the club office. It is no longer possible to conduct 'home visits' or similar to complete these tasks.

To enable an efficient and convenient process, the club office will be attended on each Thursday of December, from 4.30 pm until 6.00pm. This will enable members to comply with legislation which requires owners of conditionally registered vehicles to be a financial member of an authorised car club.

Club memberships all expire on 31st December which means that vehicle registrations are also invalid after that date until members are financial.

For enquiries please email peter.l.lock@gmail.com

SENIOR FIRST AID

Great news! SEAC will reimburse any members interested in completing a Senior First Aid course.

This is a great skill to have and it allows the club to have support from more first aiders at events.

Please phone Helen Telford on 0408896808 for any enquiries.
