Hi all,

I would like to thank everyone who has volunteered their time and effort to trying to make SEAC Park as good as it can be. It is a magnificent facility and without them, it would be a very different sight. To everyone who have tried to get events up and running but been cut short due to weather conditions, thank you. Hopefully we can get racing at SEAC Park soon.

All committee meetings are published on the website. Everyone is welcome to come give your opinion on your club. Please come along and share your thoughts.

Everyone else that is going away to compete, stay safe and good luck. SEAC has a reputation of having some of the best and fairest drivers. It's good to see people doing their best away from home.

Happy skids,
Tristan Crowe.

Please note all minutes are entered as given, sometimes this means you are on the present and apologies list, or your item on the agenda isn't mentioned here. However, if I don't get it I can't put it in.
