Russell Fisk 1st in Class D Standard at the Australian Khanacross Champi-

FROM THE PRESIDENT

Well what a busy few weeks we have had as a club.

Two day Khanacross/Autocross to start May off, I unfortunately missed this event being away at the Southern Rally Sprint. Which was represented by a handful of club members, Jamie and Ken taking outright honours. Anybody who wants a weekend away with some motorsport involved, going away as a group is great fun, lots of laughs and everyone helps each other out.

Sounds like the local event was very popular with fast track setups and near perfect weather, well done to all involved.

The Victorian Motorkhana round held in May attracted good numbers from locals as well as interstate visitors. A little bit damp at times but still looked like there was more than a plastic trophy at stake with some very serious competition. This concluded the 2017/18 Motorkhana Series. The Committee has decided to stay with the summer series like option and dates will soon be released for the 2018/19 Series.

A large number of SEAC teams travelled to Burra in the first week of June to contest the opening round of the SA Rally Championship. Cags and Dycer had a remarkable weekend, finishing 3rd outright in the trusty EVO. Paul Heenan teamed up with Andrew Kriesel to finish the weekend 5th outright. Jason and Bev had a fairly clean weekend to finish top 10 outright in their 180b. The Subarus of Bowering, Pohlner and Thomas all having weekends to forget. Adam Branford came out of retirement to navigate for the hard charging Stephen Mee in a very fast corolla, which revs to about 9000 rpm. These guys were in 6th outright when their event ended with gear box failure.

The Australian Khanacross, not much to say apart from PERFECT EVENT! From the time our visitors started to arrive Friday afternoon to a beautiful green grassed pits and camping area, a track as smooth as an airport runway, to spotless clean facilities the first impressions lasted all weekend. What we take as normal is a very high standard of event to others. The track held up well, the weather was kind, the live scoring was the talking point of the weekend, it really set the event status to a new high when there were constant updates of the leader board. Hot coffee and great catering were also well appreciated. And the style of presentation dinner, Curtis needs a big pat on the back for getting it perfect. To all the volunteers and officials thanks for the huge effort before and during the event, you guys and girls are truly splendid.

The 23rd of June sees the Limestone Coast Off-Road Club host a level 1 Rally Sprint at the Moorex property, this is a points event for the clubs TRE Series and going on the previous event held there it will be a blast.

Cheers,
Trump.

Australian Khanacross CHAMPIONSHIP

CONFEDERATION OF AUSTRALIAN MOTOR SPORT

Bradley Clements has become the first 2018 CAMS Australian Champion with victory at the 2018 CAMS Australian Khanacross Championship in South Australia.

Competing in his Subaru WRX at the SEAC Motorsport Park in Mt Gambier, Bradley claimed the championship title over a strong field of 54.

The victory was made even sweeter for Bradley - stealing the Khanacross trophy from his father Michael Clements, the 2017 champion and now 2018 runner-up.

"I'm ecstatic, very happy," Bradley said.

"I had a little bit more experience on this track than dad, which helped get me over the line."

Topping the junior category was young gun Liam Lewis. The 17-year-old took out the junior trophy and placed 18th overall.

"The weekend wasn't too bad, had my ups and downs, but overall it was pretty good," Lewis said.

"Beating many of the adults, who have been around for a few years was definitely a highlight."

Hosted by the South Eastern Automobile Club (SEAC), the CAMS Australian Khanacross Championship was a safe, successful and enjoyable weekend for all entrants.

"It has been a fantastic event," Nathan Lowe, Assistant Clerk of Course said.

"We've had competitors come from all over Australia - they've all enjoyed themselves."

"We've had no issues at all, basically everyone who started, has finished."

NOTICE BOARD

S.E.A.C

NEEDS: A: NEW

TIMING SYSTEM

The timing system must be able to operate in dust and rain, and to transmit to the upstairs Race Control at SEAC Park. It needs to operate with a minimum of staff, produce an ongoing live time display and/or an electronic input of data, and produce a print out of all results at the conclusion of competition. In addition, it needs to be portable and suitable for all SEAC events.

Any Member with knowledge of a system/s or who are willing to undertake the necessary research, are invited to prepare submissions to be presented to the August General Meeting. Friday the 3rd of August, 7:30p.m. at SEAC Park. Submissions must contain specifications, capability, availability and cost.

It is preferable that systems have manufacturer backup; for warranty, spares, service, etc.

It is anticipated that a short list can then be prepared for final decision by the Executive Committee.

Thank You

A special thanks was made by Steve on behalf of the Club to Paul Heenan for only charging for fuel and labour for all of the track work completed.

Jens Hotel Invoice still outstanding for LOL Hillclimb.

Port Mac Hillclimb made a profit of \$931.00.

Has been approached by Peter Burchell from Generations in Jazz, requesting to borrow Club Radios for Jazz Festival in May.

General Business

P Heenan –

Has been contacted by Adrian Schultz from DC Grant chasing up return of Council banners.

Awaiting quote from Gambier Earth Movers for hotmix price. Need to confirm which areas are to be done.

S Pratt –

Discussed the future of both the South West Stages, and the Port Mac Hillclimb. Should they be ran alternate years? Either way a decision needs to be made, and should include input by event organisers. Cut off is 10th July for Hillclimb, and Clerk of Course needs to be decided ASAP if going ahead.

Questioned number of Events and Event Directors. Should more focus go into one main event, would that make people more keen to help, with not as many other events? Entry fees were also discussed with the thought of them being too cheap.

Has been contacted by Trevor Jackson at The Border Watch. He is after basic information and results for all events to publish in Thursday's editions of the newspaper. Cut off for information is the Tuesday prior.

K Raedel -

Helpers are needed for the Generations in Jazz Festival – May 4th-6th. L Upham can help on the Friday night, but still need others. Tom & Helen Telford maybe possibilities, as they have helped previous years.

2018 LOL Hillclimb in desperate need of helpers, or will not go ahead. Clerk of Course, Secretary and Race Control positions all need to be filled. May need to look at getting a quote from Race Solutions for Race Control position.

Has been in contact with Koonara Wines, who are keen to do an opening night on the Thursday, possibly at the rail lands.

S Saunders

Business Banking online application. Steve Saunders (Treasurer), and Aaron Bowering (Assistant Treasurer) to have access only, as per decided at previous Meeting.

Transponders Quote

Has received a new quote for \$22K, the original being \$37K

Same hardware as previous quote, but has included further discount.

Would be used for 10 to 11 events per year.

The Club could charge a small amount per entry fee to go towards the cost (\$5-\$10 per event).

Could possibly be hired out to other Clubs to make some return.

There is enough money to purchase them in the General Account, without having to touch the Term Deposit.

The option could be given to Members to purchase outright rather than paying per event.

May not initially require the full 60. Maybe worthwhile only turning on 40 or so to start out, and hiring extra if needed.

Steve and Kevin to speak with Brian Sparrow about the Speedway set up.

Steve to obtain another quote for a 5 year plan rather than one year.

J Whitehead

Motorkhana display at the Mount Gambier Show in October to go ahead, will start organising.

Need directors for round 4 and 5 of Autocross. Round 2 and 3 are covered.

Looking to retire from position as Autocross Coordinator at the end of the year. Will bring up again at the General Meeting.

B Fisk

Junior Development Day – adult / guardian supervision is required, issues with this at previous event.

C Boyd

Need to purchase a hard drive for storage of Event photos. Cost between \$100 to \$170.

SOUTH EASTERN AUTOMOBILE CLUB OF SA INC EXECUTIVE MEETING 18TH APRIL 2018

C Boyd moved a Motion, 2cd J Whitehead

"Steve Saunders to purchase a hard drive for storage of SEAC Event photos."

All in Favour

8:45 pm – Keith Pearson entered the Meeting unannounced to heatedly discuss the bowl fill and SEAC Park entrance issues.

K Raedel

Auditors Report

Review Findings were addressed and responded to, ie Receipting, Minutes of Meetings, Payments, Banking and Bank Reconciliation.

Audit to be done annually, very expensive exercise, Amy has a couple of possibilities for the future and will follow up.

LOL Hillclimb

First Meeting poorly attended, next Meeting is Thursday, hoping for a better turn out.

Should it be run every second year due to the huge amount of work? Do Port Mac one year, LOL year after.

Kate and Amy happy to handle online entries and spreadsheet if required.

Possibility of combining with the drifters – they use everything the following weekend so they can do pack up. We set up, they pack up.

Happy to direct again but just can't justify loss of income for the month before.

Are role of positions clear enough for people to volunteer and commit to? Are entry fees too low? Should we put them up \$50? Look at a 3 day entry fee rather than Friday and then Saturday /Sunday?

Need to look at a possible Event Director Fee, and fuel subsidisation fee for volunteers.

Patient transport vehicle with stretcher is required - needs to be looked at in near future.

Meeting Closed – 10.00pm

S Pratt

Still concerns with the number of Events that the Club is running, and the toll it takes on volunteers – are we running too many?
Confirmed that South West Stages and Port Mac Hillclimb will be ran alternate years.
Club clocks need new batteries before the next trial, will need a hand replacing them.

P Heenan

Has looked into Bendigo Bank and what organisations can gain out of their community investment program, and what they can offer if we change banks.

Transponders

Has received a new quote from My Laps Sydney for a 5 year subscription rather than a 1 year.
His recommendation is to go for 45 units for 5 years at \$29,097.00. Can rent extra units from My Laps at \$15 each, but would require 6 weeks notice.

A group discussion was had with each member taking their turn to voice their opinion and feelings on pros and cons of the purchase of transponders.

Timing System – SEAC needs a new system that is dust and rain proof, requires minimum volunteers to operate, transmits upstairs and is portable

P Lock moved a Motion, 2cd A Lenneth

“Any Member with knowledge of a system(s) or who are willing to undertake the necessary research, are invited to prepare submissions to be presented at the August General Meeting.

Submissions must contain specifications, capability, availability and cost. It is preferable that systems have manufacture back up for warranty, spares, service etc.

It is anticipated that a short list can then be prepared for final decision by the Executive Committee”.

ALL IN FAVOUR

K Raedel

Has received a Food Safety short course information brochure from District Council of Grant. Curtis questioned whether the Club has a City of Mount Gambier Food number, as we are required to do so. Kevin will follow up with CMG.

The position of Club Treasurer needs to be filled. Steve is happy to help Kevin, Aaron and Kate to get to the end of financial year only. The position needs to be advertised in the Club newsletter to be filled by a Club person preferably, otherwise the club may be forced to advertise externally as a paid position. All events apart from the Australian Khanacross Championship and LOL Hillclimb will be put on hold until the position is filled.

A new Website Manager is also required. Amy and Kate are happy to look at this but would like to meet with Bev first to see what is involved.

P Height

Would like the Club to get a quote to either move or extend the window upstairs to get rid of the blind spot for timing. Kevin will approach Craig Moody.

Radios aren't working properly and need to be looked at and fixed. No reception and can't hear from the pits or middle of the track.

MEETING MINUTES

EXECUTIVE COMMITTEE

16th May 2018

A Lennerth

Questioned if the Club Membership contacts details can be used to make sure the Club Newsletter is reaching as many Members as possible. Will look at the privacy act and check with Bev if needed.

G Brown

Attended a SARC Meeting on Monday night aimed at getting ideas on how to get more competitors involved in events. Advised that Terry Stone had passed away and that Members were invited to attend the funeral or provide their rally cars to drive in procession. Amy will organise a Memorial to go in the newsletter and will approach Mick Cooper to help with wording.

B Fisk

Has been working on mower and put new bearings, oil and a battery in. The belts can be replaced in the future if required.

A round of applause went to Bill for all of his effort in both getting the mower going and the mowing itself. Thankyou Bill.

K Pohlner

Bev is chasing up Event results for Autocross 6th May, Khanacross 24th February & 5th May, Motorkhana 10th February and 24th March. Aaron will chase up with Damien Wilson, and John Whitehead will email through what he has.

C Boyd

Questioned the amount of Meetings held by the Club and referred back to a Meeting at the City Band Hall chaired by Greg Muller where this issue was brought up but never actioned. Are both a General Meeting and Executive Meeting both required every month? Other meetings (khanacross, LOL) should also try to be piggybacked other meetings, with 7:00pm starts to reduce the number of nights meetings are held.

C Boyd moved a Motion, 2cd Kate Pohlner

"General Meetings to be held every second month, as of the June Meeting".
