Volunteer as an Official

Becoming a motor sport official is the best way of getting close to the action without being in the drivers seat. Volunteer officials are a vital part of motor sport and without them the sport could not function. Officials ensure that events are conducted safely, fairly and that the rules and regulations are upheld. Every motor sport event requires a number of officials with various skills to perform a wide range of tasks. Events such as the Formula 1 Australian Grand Prix and Rally Australia need over 1,000 officials, whereas a club-level motorkhana or hillclimb need only a few.

- Motorkhana Supp Regs for next series to be changed, to drop the worst round rather than the competitor choosing which round, so it prevents them from not coming to an event. (ie, best 3 out of 4).
- Autocross Point Scoring system, questioned whether it should be left as is. Was decided to not make changes, fair system at the moment.
- Khanacross – 24/25th November in Heywood. Should this be run as part of the SEAC Series?
