#### **KEY FEATURES:**

Wanderers Car Run will see a mayhem of classic cars depart Adelaide Royal Flying Doctor Base South Australia on Saturday December 1<sup>st</sup> 2018 and head to Broken Hill, Cobar, Dubbo, Narrandera, Echuca, Swan Hill, Mildura and returning to Adelaide.

#### ABOUT THE ROYAL FLYING DOCTOR SERVICE:

The Royal Flying Doctor Service is one of the largest and most comprehensive aeromedical organisations in the world, providing extensive primary health care and 24-hour emergency service to people over an area of 7.3 million square kilometers.

Delivered by a dedicated team of professionals, using the latest aviation, medical and communications technology, and supported by a vast number of volunteers and supporters, the RFDS is vital for those that live, work and travel to rural and remote Australia. The RFDS relies on bequests, fundraising and donations from the community to purchase its 'flying intensive care units' — at a cost of more than \$7 million each.

#### FUNDRAISING:

- Each car will be required to fundraise a minimum of \$1,000 to be involved in the event these funds will be donated directly to the RFDS in addition to any fundraising over and above \$1,000. These funds must be on the Everyday Hero fundraising page prior to departure.
- To assist you with your fundraising, each car will have an online fundraising profile created for them on the platform, Everyday Hero. Each car will then be provided with the login details via email, so that you can update and personalise the page as required.
- Any cash donations can also be added to this page to ensure an accurate fundraising tally is kept. Please contact Kristen Newlyn, Community Fundraising Coordinator to assist with this: <u>Kristen.newlyn@flyingdoctor.net</u> or 08 8238 3340
- In addition, each car will be provided with a donation tin that cash can be put into. This can also be added to the Everyday Hero page, contact Kristen to do so.

#### The fund raising goal for 2018 is \$100,000.00
